

IN SPITE OF COVID, THE WORK CONTINUES, ONE FOOT AT A TIME!!!

Each year, Al Ashraf Temple #167 collects diabetic socks for distribution to nursing homes in the communities represented by our members – Lansing, Jackson, and Ann Arbor/Ypsilanti.

Why socks? Diabetes is a disease that impacts the body's ability to produce and process insulin; a side effect is an increase in blood glucose levels. This also causes the blood vessels of the lower extremities to narrow and harden, restricting blood circulation. As a result, these limbs often feel cold, and can lead to complications as severe as amputation.

We are now conducting the 2021 campaign and would appreciate your donations; If you elect to make a monetary donation you can donate through cashapp - \$nobleMike02 or contact:

Deputy of the Oasis Michael Lipscomb – (419) 270-1958 / mikej9431@yahoo.com

Illustrious Potentate Byron Christopher Williams – (517) 896-5151
